

```
at getAttribute (node_modules/@testing-library/dom/dist/query-helpers.js:16:42)
PASS src/MeetTheCreators.test.js
  ✓ renders MeetTheCreators page (238 ms)
  ✓ displays team member details (45 ms)
```

A worker process has failed to exit gracefully and has been force exited. This is likely due to a missing `process.exit()` call or a missing `process.on('exit', ...)` handler. Please use `process.openHandles` to find leaks. Active timers can also cause this, ensure that `process.removeAllListeners()` is called.
